5. **CODE OF ETHICS:**

- Actively promote the interests of General Aviation
- Represent the interest of members in an honest and transparent manner.
- Be open and transparent in all internal and external communications.
- Project the image of honest, fair, courteous, efficient, and professional dealings by maintaining a reputation for honesty, integrity, and fair dealing.
- Engage actively with all relevant statutory bodies in the interests of promoting aviation.
- Ensure that all relevant legislations are adequately publicised, and members understand their obligations in respect of such laws and regulations.
- Make adequate and reasonable arrangements in respect of liability which may arise from the conduct of their business.
- Encourage active and healthy relationships between and amongst CAASA members.
- Encourage the continuous upgrading of aviation education, skills and knowledge.

Proven Contraventions of this Code of Ethics by any members of CAASA will be viewed in a very serious light and appropriate action will be taken.
